

Dear Prospective Compatriot,

We of the Sons of Confederate Veterans, who ride motorcycles, have banded together into a special interest group within the organization. There are only two rules.

1. You must be a member in good standing of the Sons of Confederate Veterans.
2. There are no other rules!

As our Confederate ancestors rode whatever horseflesh (or mule) they could obtain, we do not have a type or size requirement for your motorcycle. We do not have annual dues or fees. There is a one-time fee of \$100.00 to cover the cost of one set of "colors" displaying the SCV logo. You also do not need to wear a set of "colors", or may wear them selectively at appropriate places and times as you see fit.

We have one annual meet in the 2<sup>nd</sup> weekend of June, which rotates as to host State and town. Members living close by are encouraged to see each other on a much more frequent basis to attend camp meetings, grave dedications, re-enactments and other SCV events together.

Each member is presently charged with monthly recruitment reports to make sure that we locate all SCV members and potential members who ride.

Had the motorcycle been in existence during the War Between the States, certainly it would have been employed. We are then the present day mechanized cavalry, Confederate States of American, on-going.
